Dear Mr. Mayor and Friend,

First of all, I was very glad to have you in Lugoj for “Ruga Lugojeana” and to know that you felt very good here with us. I also want to thank you for all the nice things you said about the events organized by the Municipality of Lugoj.

I would like to use this opportunity to assure you once again of my friendship and complete support for all matters concerning not only public administration, but also education, water and sewage networks or waste management. We are at your disposal, if you need our expertise or if you want to see how these issues are dealt with in the Municipality of Lugoj.

As for my presence in Kriva Palanka for the “St. Joakim Osogovski” International Folkloric Festival, I am very sorry to inform you that I will not be able to come. Unfortunately, some very important projects require that I stay in Lugoj and attend to them.

In closing, I thank you once again for the wonderful moments that we spent together in Lugoj, I wish you good health and I assure you of my highest consideration.

Sincerely yours,

Prof. eng. Francisc Boldea
Mayor of Lugoj
